

UNIVERSITY of OULU
OULUN YLIOPISTO

Dear Partner,

The University of Oulu accepts exchange applications only through our **on-line mobility database SoleMOVE**.

Home institution must first nominate the students to the University of Oulu. The nomination should preferably be done on-line at www.oulu.fi/english/studentexchange/nomination or by sending an e-mail to international.office@oulu.fi. Nomination should come at least two weeks before the application deadline (see below).

Nomination has to include the following information:

- Student's home institution
- Student's name (please indicate first name, last name), gender, date of birth and e-mail address
- EU subject area at home institution **and** at University of Oulu
- Planned dates of exchange

After the nomination has been processed by the University of Oulu, the student will receive an e-mail with instructions and login to our on-line exchange application at SoleMOVE. Application documents do not need to be sent through regular mail, all are submitted electronically by the student.

Information for incoming students (including studies in English) is available at www.oulu.fi/english/studentexchange
